

DIRIJAREA ȘI ANALIZA PSIHOLOGICĂ A PROCESULUI EDUCAȚIONAL ÎN INSTITUȚIA DE ÎNVĂȚĂMÂNT

GUIDANCE AND PSYCHOLOGICAL ANALYSIS OF THE EDUCATIONAL PROCESS IN EDUCATIONAL INSTITUTIONS

Conf.dr. Constantin NESTERENCO
Colegiul Tehnic Agricol din Soroca

Abstract: The manager who obtains the best results leads in accordance with the theory, applying it to concrete conditions. The humanist factor is a necessity, a requirement for the leadership theory. There are two main psychological directions in the educational achievement:
1-the formation of psychological competence of the teaching staff;
2-the creation of psychological, efficient services within the educational public system.

Keywords: school, education and training, guidance, collective management plan, methodology, management activity.
