Abstract: The aim of this paper is to analyze the Romanian CIF imports during the period 01.01.-31.12.2014. My research goal is to identify the most important section of CIF imports during the analyzed period and the main structural modifications in evolution of the Romanian imports. The expected results are to know the most important import section of the Combined Nomenclature, the structural modification in evolution of these industries and the most important partner countries.

Keywords: Imports, structural modifications, export partner countries.
