

Chairman

Ph.D.Prof.Eng. **TEODOR LEUCA**, University of Oradea,
DEAN of the Faculty of Electrical Engineering and Information
Technology

Co-Chairman

Ph.D. Assoc. Prof. Eng. **GABRIELA TONȚ**, Department of
Automated Systems Engineering and Management, Faculty of
Electrical Engineering and Information Technology, University of
Oradea

TECHNICAL PROGRAM COMMITTEE

Ioan Abrudan, Technical University of Cluj-Napoca, Romania
Mircea Boșcoianu, "Henry Coanda" Air Force Academy, Romania
Dan Badulescu, University of Oradea, Romania
Simona Bodog, University of Oradea, Romania
Florin Dănălache, University "Politehnica" of Bucharest, Romania
Mihaiela Iliescu, University "Politehnica" of Bucharest, Romania
Vadimir Mărăscu Klein, Transilvania University of Brașov
Adrian Olaru, University "Politehnica" of Bucharest, Romania
Radu A. Munteanu, Technical University of Cluj-Napoca, Romania
Constantin Rada, University of Oradea, Romania
Florentin Smarandache, University of New Mexico, USA
Ovidiu Șandru, University "Politehnica" of Bucharest, Romania
Paul Șchiopu, University "Politehnica" of Bucharest, Romania
Luminița Șoproni, University of Oradea, Romania
Gabriela Tonț, University of Oradea, Romania
Luige Vladareanu, Romanian Academy

Location and background information

The conference will be held in Oradea, which is a strong economic, social-political and cultural center in the North-Western side of Romania. Being the administrative center of Bihor County, Oradea ranks as a medium town with its more than 180.000 inhabitants.

It's cultural and scholastic tradition goes down to the 18'th century as shown by the architecture of the ancient commercial center and the *Criș River Land* museum.

Placed at only 12 km from the border on E60 European road, Oradea is a true entry gate to Romania, including for railway traffic. Access by plane is available due to its airport with direct links to Bucharest - the capital of Romania. International airports in Budapest, Cluj-Napoca and Timișoara are about 3 hours of drive away.

There are multiple opportunities for entertainment and health care in the immediate neighborhood of the town. The famous health, balneary and climatic resorts *Felix Spa* and *1 Mai Spa* are only 8 km away offering modern hotel and treatment bases. The friends of forest, fresh-air and carstic wonders can enjoy the *Stâna de Vale* mountain resort, accessible on direct roads at less than 80 km distance from Oradea.

UNIVERSITY OF ORADEA

Faculty of Electrical Engineering and Information Technology

in cooperation with:

Academy of Romanian Scientists Technical Sciences Section

and

Association of Electrical and Electronics Engineers from Romania

in the frame of

the 9th International Conference on Advances in Electro-Technologies

ICAdET ' 2012

organize

Engineering and Management Session

http://electroinf.uoradea.ro/ICAdET_2012/default.htm

24-25 May 2012
Oradea, ROMÂNIA

Main topics

- Management
- Quality and Reliability
- Marketing
- Business Support Systems
- Entrepreneurial processes
- Manufacturing Systems
- Organizational Communication

Deadlines

Please consider the following schedule of final dates for the paper presentation and participation registration:

- **March 30th**, 2012 – submission of the full paper
- **May 2nd**, 2010 – acceptance acknowledgement and Reviewing
- **May 9th**, 2010 – camera-ready copy and registration form

Contact persons

Please direct full papers and requests for any additional information to:

Veronica Abrudan

Department of Automated Systems Engineering and Management

E-mail: veronicaabrudan@yahoo.com

Papers and technical information

Original, unpublished contributions are expected. Papers should be informative and concentrate on results. The authors should submit the full paper for reviewing.

The contributions accepted by the Technical Program Committee will be presented in the Session. The presented papers will be included in the Journal of Electric and Electronics Engineering, ISSN 1844-6035, classified in B+ category by the former National University Research Council (CNCSIS) and indexed by several international databases

(<http://electroinf.uoradea.ro/reviste%20EEE/default.htm>):

- [SCOPUS](#)
- [EBSCO](#)
- [Index Copernicus](#)
- [Ulrich's Update - Periodicals Directory](#)
- [Directory of Open Access Journals \(DOAJ\)](#)
- [JournalSeek - Online Scholarly Journals](#)

Paper presentation will be in oral sessions grouped by interest and should not exceed 20 minutes (discussions included).

Requirements for papers:

- papers should be submitted by e-mail or by dedicated webpage http://electroinf.uoradea.ro/ICAdET_2012/default.htm
- left/right 22 mm and top/bottom margins 25 mm, 4 pages
- first page: top margin 40 mm, bottom margin 25 mm
- title 16 pt, Times New Roman Bold or equivalent
- authors 12 pt, Times New Roman or equivalent
- affiliation 9 pt, Times New Roman or equivalent
- abstract (max. 300 words) in 10 pt. Times New Roman Italic Bold)
- main text in 10 pt. Times New Roman using two columns
- tables or pictures should be labeled in logical order
- emphasize contributions and results
- include labeled references
- do not number the pages of your paper !

The required electronic form of paper is Word and .pdf format. An example of paper formatting is downloadable from <http://electroinf.uoradea.ro/reviste/instructions/instructions.htm>.

Accommodation and social events

Accommodation can be booked on request. Accommodation and attendance to all social events for accompanying persons is provided through Registration Form. All incurred costs will be separately paid.

Registration

Registration should be made through the Registration Form, downloadable from:

http://electroinf.uoradea.ro/ICAdET_2012/registration/registration.htm.

Hotel accommodation cannot be guaranteed unless the filled-in form arrives according to the early registration deadline. A Registration Desk will function at the University of Oradea for arrival registration and other kind of direct information and services.

Registration fees

The registration fee is 150 EUR and covers the cost of Proceedings, refreshments, a lunch and the Gala Dinner in 24th May. The fees for each accompanying person are 50 Euro. The registration fee is payable in a bank account which will be announced later or at desk registration time in cash.

A number of reduced fees will be available, on request. In order to obtain the reduced fees please send your request to the indicated contact persons.

The registration fee covers maximum two papers of each first/single author.

Official language

The official language of the Session will be English and will be used for all printed materials, presentation and discussions.
